Example Vignette

Typography

H3

H4

Paragraph text should use the brand base font. Inline code should use the brand monospace: `const x = 42`.

```
text block should use the brand monospace.
abcdefghijklmnopqrstuvwxyz 0123456789
```

- Headings: Valley Sans
- Body: Alegreya
- Code: CommitMono

Theme colors (semantic)

Read straight out of `_brand.yml`, the same file that styles this site.
